Paradigm persona 5F and 7F vs salon 2s. I am available in the market for some new audio system. If not anything else comes alongside then I will be purchasing some salon 2s. On The Other Hand I'm very intrigued by means of the personas, now not least as a result of paradigm use the same design parameters as JBL / revel (based on toole and olive's research). There are no personas in the UK where I reside, so I'd have an interest to listen to from anybody who has heard the 5F or 7F as well as the salons.
